

Aiwyn Payments

Maximize ROI with unified operations:
Aiwyn drives measurable firm growth

Aiwyn Payments transforms your firm's collections with automated processes, real-time payment visibility, and a modern client experience.

Built specifically for accounting firms, our Payments solution eliminates manual payment tasks that slow growth. Aiwyn Payments integrates seamlessly into your operations, enabling rapid expansion while you focus on serving clients and driving revenue.

“Billing no longer takes a week. it’s two days now. Full-time admin job reduced to part-time.”

“Our interest expense dropped by hundreds of thousands a year.”

Validated by Top 500 firms, Aiwyn Payments delivers measurable ROI: Faster cash, lower write-offs, significant time savings, and improved client experience.

“We went from average of 45 days to 14 DSO. First year with Aiwyn, no need to tap line of credit for partner payouts – magic!”

30-90% DSO reductions reported

Average ROI 3-5x Aiwyn cost

5-10 hours per week saved per staff member

2% of annual revenue recaptured through billing accuracy
